

OPEN CALL

FARMSTUDIO - ART AND CULTURE CENTER

Farmstudio – an association for art and culture, is delighted to announce an Open Call for the 2020 exhibition projects. This invitation is open to all artists of diverse disciplines and media (painting, photography, performance, site-specific, land art, audio-visual art, stage design / architecture, and others) who are keen to develop their work, share ideas, and become a part of an inspirational network.

The projects will take place in Bohemia Farmstudio cultural centre, a workplace located in a unique historical site of the early 19th-century farmhouse in the village of Vysoka. The venue is situated in Kokorin natural reserve, approximately 50 km from Prague. Farmstudio provides the opportunity to use its various workspaces, local materials and tools, plus technical and critical support. The opening is part of the Farmstudio Open festival.
